DESCRIPTION

This beautiful family home is a must-see! Tucked away on a quiet court in a beautifully maintained neighbourhood, 14 Alderwood offers comfort, space, and smart upgrades-perfect for any growing family. The 4-level back split design provides generous living space, with 2+1 bedrooms, 2 full bathrooms, and plenty of storage throughout. You'll love the thoughtful custom touches, including a built-in window seat and outdoor wiring designed for easy holiday light displays. Outside, enjoy a fully fenced backyard, a storage shed, and a covered front porch ideal for morning coffee or evening relaxation. The attached single-car garage with interior access adds everyday convenience. This home stands out for

its energy-efficient upgrades, featuring solar panels that provide predictable energy costs and protection from rising hydro rates while reducing your carbon footprint. A new heat pump further enhances efficiency, offering eco-friendly heating and cooling, improved indoor comfort, and lower operating costs year-round - all while reducing reliance on traditional energy sources. Ideally located in St. Thomas and close to London, this is a commuter-friendly spot with quick access to amenities, schools, and everyday conveniences -without giving up the peaceful feel of a well-kept community. A home that blends space, style, comfort, and smart sustainability - 14 Alderwood is ready to welcome its next family.
